Advances in Science《科学进展文库》

Call for Global Academic Monograph Submissions

全球学术专著征稿启事

To All Universities, Research Institutions and the Research Community,
各高校、科研机构及相关部门，广大科研工作者：

Science and technology are the fundamental driving forces of human civilization. The continuous exploration of natural laws, technological innovation, and interdisciplinary breakthroughs have always promoted the evolution of society, expanded the boundaries of human cognition, and laid the foundation for the progress of modern civilization. In the era of global integrated scientific research, frontier academic achievements require more standardized, systematic, and international publishing carriers to realize worldwide inheritance, dissemination, and academic dialogue.
科学与技术，是人类文明进步的根本动力。对自然规律的持续探索、技术体系的迭代革新、跨学科领域的融合突破，始终推动着人类社会演进、拓展人类认知边界、奠定现代文明发展根基。在全球科研协同发展的新时代，前沿学术成果亟需更规范、更系统、更具国际公信力的出版载体，实现全球范围的学术传承、成果扩散与跨域学术对话。

To promote the worldwide dissemination of cutting-edge research, inherit innovative academic achievements, and build a high-end international exchange platform for global scientists, engineers, and research teams, NEW STATE PRESS (Hong Kong) officially launches the international academic monograph series *Advances in Science*.
为推动全球前沿科研成果的国际化传播、留存原创性学术成果、搭建全球科研人员高端学术交流平台，香港 NEW STATE PRESS 正式启动国际级学术专著丛书项目：《科学进展文库》。

This series focuses on original systematic research, emerging technological innovations, and interdisciplinary frontier achievements in science and engineering. The press now openly calls for high-quality academic monographs worldwide. Eligible manuscripts can be submitted in English, Simplified Chinese or Traditional Chinese. All accepted works will be officially published with International Standard Book Number (ISBN), professionally edited and typeset, with proactive expansion of global distribution channels to universities, research

institutions and public libraries, advancement of library inclusion, and long-term international academic outreach.

本丛书专注收录科学、工程与交叉学科领域的原创系统性研究、新技术成果、前沿探索著作。现面向全球开放高水准学术专著征稿。稿件语言接受英文、简体中文、繁体中文三种规范版本。所有录用著作将授予国际标准书号（ISBN），经专业学术编校、规范排版后正式出版，积极拓展面向全球高校、科研机构与公共图书馆的发行渠道，推进图书馆馆藏收录，开展长期国际学术展示与推广。
